

To the Integration Small Group -

Hello!

The Integration Small Group will meet on Wednesday, April 11th, from 9 - 1 at the PDX Conference Center. The conference call bridge is 1-877-295-7894, guest code 400. The purpose of the meeting is to work further on the funding levels for the OASIS Functional Agreement in preparation for a policy-level discussion on this topic during the week of April 16th. (The ColumbiaGrid staff meets on April 9th to prepare their recommendation based upon the small group's previous discussions, ColumbiaGrid's analysis, and OATI's input.)

Thanks, Kristi
