Meeting ID: 8FZW2X

Attendee Meeting Key: P{ }h9H&7k

### **Proposed Agenda**

Detailed agenda to be provided at meeting

ColumbiaGrid will facilitate the regional planning project review group meeting for BPA's West of McNary Generation Integration Project. BPA will present the project details and discuss studies that have been they have run to date. There will be an opportunity to discuss the study results, review alternatives, and determine next steps in order to complete the review within six months.
